

Thomas A Becket Infant School Forest School Outdoor Clothes

There is no such thing as bad weather, just the wrong clothing!

A positive experience in Forest School requires correct clothing, so please ensure your child comes dressed in the following regardless of the weather! We go outside in all weathers, so check the kit list. If you have any difficulties or queries with this, please speak to either your child's class teacher, Mrs Marshall or Miss Martin who will be able to support you.
